

## **Vaccine Access (VAC 5) Funding Announcement**

The Southeastern Minnesota Area Agency on Aging (SEMAAA) has received funding from the Administration for Community Living (ACL) for vaccine education and supports.

**Proposal Focus: Outreach** – Provide vaccination education, outreach and resources through phone support & assistance.

**Eligibility:** 501©3 Non-profit Organizations (must provide W-9 & insurance cert.)

**Funding Amount:** Maximum of \$4,999 per project applicant

**Applications will be accepted beginning:** January 3, 2022

**Funding Timeline:** January 3, 2022 – August 31, 2022 - Funds will be awarded on a competitive basis and the request for applications will remain open until available funds are exhausted.

**Applications include** Brief Narrative/Budget (1-3 pages).

### **Other Helpful Information:**

- Cost per Unit (1 contact equals a unit) will be negotiated with applicant.
- Payment provided on quarterly reimbursement basis.
- This is a non-registered service - however minimal statistics will be collected.
- Program statistical reports due monthly/quarterly narrative report.
- SEMAAA will offer a suggested checklist of potential items to cover such as booster education, videos, and local resources.
- We encourage grantees to contact public health in their area to ask questions such as – will they offer shots; will they travel to the person.

### **Process:**

1. VAC 5 applications will be presented to SEMAAA's Executive Committee for funding approval. This group will make final funding decisions.
2. Applications requests should be sent to: [penny@semaaa.org](mailto:penny@semaaa.org)
