

Position Announcement – 5/29/2026

Position: Minnesota Aging Pathways Resource Specialist

Status/Schedule: FT – Benefitted Position/M-F 8:00am – 4:30 pm

Closing date: June 8, 2026

SEMAAA has a full-time Minnesota Aging Pathways (MAP) Resource Specialist position opening. This is a hybrid position with the option to work remotely or in office once the initial training period is completed.

Essential Job Functions - Duties may include but are not limited to:

- Assist older adults and their family members by providing phone assistance to help identify appropriate community services and resources.
- Provide information on Medicare and offer benefits counseling to help callers review and assess health care plan options.
- Utilize a statewide database to research services and resources in areas such as transportation, housing and other community supports.
- Offer community presentations and attend community resource events as requested.
- Educate new & existing community-based service providers about SEMAAA and Minnesota Aging Pathways services.

Minimum Qualifications: A bachelor's degree in social work or related human service field is preferred. Two or more years of professional experience in the social services field, experience in long-term care, health care, social service, or other community agencies serving older adults.

Send resumes and cover letters to Laurie Brownell, 2746 Superior Drive NW, Suite 300, Rochester, MN 55901 or laurie@semaaa.org
